away, instead of sinking into the blank misery of all his nights in that room, he stayed awake. "I will take you there," he said, stiffly, laboriously. The mage said, "Majesty, as you know, my poor skill has not availed, but I have sent for the greatest healer of all Earthsea, who lives in far Narveduen, and when he comes, your highness will surely walk again, yes, and dance the Long Dance." "Just for the food and the fire, you know, the peat costs so much now," she was saying, and then. "Oh yes. You are uncommonly slow, young man, to recognize your own capacities." It was spoken harshly, and Diamond stiffened up a bit. "But the Summoner fought him both in body and spirit, and called to me, and I came. Together we." "Never fear," Diamond said, turned on his heel, and strode out. A string of dried sage caught on his head and trailed after him. obstinate, and, in defense of his passion, brave. He had defied Losen's power, years before, going. From the breast of his robe he took a pouch of fine leather decorated with silver threads. With a delicate horn spoon tied to the pouch he lifted the few drops of quicksilver from the cup and placed them in it, then retied the thong. It was milk after all. At this time of day, in such circumstances! My surprise was such that way, so that she began to wonder if men from foreign parts were all so much handier about the. It was a horrible sensation, as if his muscles were not his own. He sat. thinking that his daughters were of noble blood. He brought her into his mind and saw her as he had seen her, there, in that room, and called out to her; and she came. It was far more convenient to him that Losen should be king than that he himself should rule Havnor openly. Men of arms didn't trust men of craft and didn't like to serve them. No matter what a mage's powers, unless he was as mighty as the Enemy of Morred, he couldn't hold armies and fleets together if the soldiers and sailors chose not to obey. People were in the habit of fearing and obeying Losen, an old habit now, and well learned. They credited him with the powers he had had of bold strategy, firm leadership, and utter cruelty; and they credited him with powers he had never had, such as mastery over the wizards who served him. stone, until they thought him tamed. Then they sent him away to live at the stables of the great. "Was that the Archmage? Truly?" "Women of the Hand." "I was told there's a murrain among the cattle here." Now that he wasn't all locked up with cold his voice was beautiful. He talked like the tale-tellers when they spoke the parts of the heroes and the dragonlords. Maybe he was a teller or a singer?
