"Wait here a little, if you please, Irian," the Doorkeeper said, and went into the room, leaving the door wide open behind him. She could see bookshelves and books, a table piled with more books and inkpots and writings, two or three boys seated at the table, and the grey-haired, stocky man the Doorkeeper spoke to. She saw the man's face change, saw his eyes shift to her in a brief, startled gaze, saw him question the Doorkeeper, low-voiced, intense.. "Listen. . ." People who have a secret name that holds their power the way a diamond holds light may well like their public name to be ordinary, common, like other people's names..He was still shaken, appalled, by the ease with which Gelluk had forced him to say his name, which gave the wizard immediate and ultimate power over him. Now he had no hope of resisting Gelluk in any way. That night he had been in utter despair. But then Anieb had come into his mind: come of her own will, by her own means. He could not summon her, could not even think of her, and would not have dared to do so, since Gelluk knew his name. But she came, even when he was with the wizard, not in apparition but as a presence in his mind.."Does Labby want a harper?".ISBN: 0-380-58578-2.Orm, the Great Dragon, who had defeated Ath, led hosts of his kind to harry the western islands of.came to be a psychological fact. There were people of the Hand there whom he trusted. One of them was a man called Crow, a wealthy recluse, who had no gift of magic but a great passion for what was written, for books of lore and history. It was Crow who had, as he said, stuck Tern's nose into a book till he could read it. "Illiterate wizards are the curse of Earthsea!" he cried. "Ignorant power is a bane!" Crow was a strange man, willful, arrogant, obstinate! and, in defense of his passion, brave. He had defied Losen's

power, years before, going to the Port of Havnor in disguise and coming away with four books from an ancient royal library. He had just obtained, and was vastly proud of, an arcane treatise from Way concerning quicksilver. "Got that from under Losen's nose too," he said to Tern. "Come have a look at it! She dumped a kettleful of steaming water into the bath. "He has ivory," she said. "Tell him ivory it has to be. Out there ten days starving in the cold to cure his beasts! San's got nothing but copper, but Alder can pay you in ivory. I'm sorry if I'm meddling in your business. Sir." She flung out the door with two buckets, going to the pump. She would not use the stream water for anything at all, these days. She was wise, and kind. Why had he lived so long among those who were not kind?.whatever he was, had gone..There were no wizards serving Losen now except Early and a couple of humble sorcerers. They left the carter to his master's business and walked down to find an inn near the docks. Dragonfly looked about at the sights of the city in a silence that might have been awe or disapproval or mere stolidity. "This is a nice little town," Ivory said, "but the only city in the world is Havnor.."anything?".is to say, indirectly, but considerably.."I learned it really quickly," Diamond said.."He wanted me to go to the College on Roke to study with the Master Summoner. He was going to send.."Who doesn't? I like the cheese making. There's an interest to it. And I'm strong. All I fear is getting old, when I can't lift the buckets and the molds." She showed him her round, muscular arm, making a fist and smiling. "Pretty good for fifty years old!" she said. It was silly to boast, but she was proud of her strong arms, her energy and skill..when they turned back, but he knew they had walked farther than the shores of Roke..went on. Moral and intellectual continuity lay only in the knowledge and teaching of The Creation.The slave stood by, motionless. All the people who worked in the heat and fumes of the roaster.."For us," said Ember. "For us who live, in hiding, neither killed nor killing. The dead are dead. He thought for a long time, and said, "She gave me her.."Lord Thorion has returned from death to save us all," the Windkey said, fiercely and clearly. "He will be Archmage. Under his rule Roke will be as it was. The king will receive the true crown from his hand, and rule with his guidance, as Morred ruled. No witches will defile sacred ground. No dragons will threaten the Inmost Sea. There will be order, safety, and peace.."The witch shook her iron-grey head once. "I can't tell you." Her 'can't' did not mean 'won't'. Dragonfly waited. "It's the power, like I said. It comes just so." Rose stopped her spinning and looked up with one eye at a cloud in the west; the other looked a little northward of the sky. "You're there in the water, together, you and the child. You take away the child-name. People may go on using that name for a use-name, but it's not her name, nor ever was. So now she's not a child, and she has no name. So then you wait. You open your mind up, like. Like opening the doors of a house to the wind. So it comes. Your tongue speaks it, the name. Your breath makes it. You give it to that child, the breath, the name. You can't think of it. You let it come to you. It must come through you to her it belongs to. That's the power, the way it works. It's all like that. It's not a thing you do. You have to know how to let it do. That's all the mastery"..generally come to distrust the ancient practices and made no appeal to the "Powers of the Mother"..Sunbright told them all to get rid of the fellow, but didn't stay around to see them do it. He..I had the faint hope that it was only because of my height..go tell him that, if you like!" And so on. Old Daisy went back to her kitchen and old Coney went..people, Ogion shut himself into a room in the signal tower of the Port, locked the door, for..land beneath it reaching to the south. I remembered my geography lessons when I was a boy at Roke,..opening of the spell, which he had known for sixty years; then when he thought he had it, he began..When it came to teaching what he knew, he was tireless, generous, and exacting. For the first time, Medra was given a vision of magic not as a set of strange gifts and reasonless acts, but as an art and a craft, which could be known truly with long study and used rightly after long practice, though even then it would never lose its strangeness. Highdrake's mastery of spells and sorcery was not much greater than his pupil's, but he had clear in his mind the idea of something very much greater, the wholeness of knowledge. And that made him a mage..lords of Wathort had ruled it for a century, taxing and slave taking and wearing the land and.."Wait here a little, if you please, Irian," the Doorkeeper said, and went into the room, leaving.."Stand!" he said to it in its language, and let go of it. It stood as if he had driven it into a socket..Otter passed the domed chamber of the roaster pit and its hurrying slaves, and climbed slowly up the circling, darkening, reeking stairs till he came to the topmost room..He stood tongue-tied. After a while she looked up at him. "No," she said in a soft, quiet voice,..from horseback; yet he felt short, he felt small.."Where My Love Is Going"..stumbled across the dark houseyard to the door..The Summoner, who had been standing with his back to them, facing the fireless hearth, turned round. "The

names witches give each other are not our concern here," he said. "If you have some interest in this woman, Doorkeeper, it should be pursued outside these walls - outside the door you vowed to keep. She has no place here nor ever will. She can bring only confusion, dissension, and further weakness among us. I will speak no longer and say nothing else in her presence. The only answer to conscious error is silence." Now, as Otter, he was thinking only that he would like to stay Otter, be Otter, in the sweet brown. "You could go to Roke," the wizard said..but Irioth spoke..defiling, essentially wicked..anything here can be wrong or go wrong, but I have to... I'll go this time, and I will go north..lioness persisted. He struck her with a paw. She snorted furiously..For a half millennium or longer, men ambitious to work the great spells of magery bound themselves to absolute chastity, enforced by self-cast spells. At the school on Roke, the students lived under this spell of chastity from the time they entered the Great House and, if they became wizards, for the rest of their lives..dark under the waters all islands touched and were one. "Catch fish anywhere near Roke, you'll find em..He ran down from the straggle of huts to the quick, noisy stream he had heard singing through his sleep all his nights in Woodedge. He prayed to it. "Take me and save me," he asked it. He made the spell the old Changer had taught him long ago, and said the word of transformation. Then no man knelt by the loud-running water, but an otter slipped into it and was gone..King Maharion himself, the story says, journeyed to Selidor to "weep by the sea." He retrieved Erreth-Akbe's sword and set it atop the highest tower of his palace..why he tried to weaken her faith in wizardry; perhaps because any weakening of her strength, her..obey, your majesty." He summoned his wizards, and the mage Early came, bowing low. "Make me walk!"..him, the way he spoke of the animals. He would have a way with them, she thought. He was like an..loose, she looked up and saw on the bank above her the black figure of a man..The original loose, roughly descriptive use of the words witch, sorcerer, wizard, was codified into a strict hierarchy by Halkel. Under his rules:..She looked westward over the reed beds and willows and the farther hills. The whole western sky..A child ran bawling to its mammy. No one else was about. But Early turned his head, still with something of the eagles quick, stiff turn, staring. Wizard knows wizard, and he knew which house his prey was in. He walked to it and flung the door open..Nobody would touch him. They stared from a distance at the heap lying in the doorway of San's house. San's wife wept aloud up and down the street. "Bad cess! Bad cess!" she cried. "Oh, my babe will be born dead, I know it!"..not by witchcraft, but merely by the strength of the armies the Enemy had turned against him?..dangerous Pelnish Lore.
