Tuly shared it with him for a long time, since she could see her son only by lying to her husband, which she found hard to do. She wept to think of Diamond hungry, sleeping hard. Cold nights of autumn were a misery to her. But as time went on and she heard him spoken of as Diamond the sweet singer of the West of Havnor, Diamond who had harped and sung to the great lords in the Tower of the Sword, her heart grew lighter. And once, when Golden was down at South Port, she and Tangle took a donkey cart and drove over to Easthill, where they heard Diamond sing the Lay of the Lost Queen, while Rose sat with them, and Little Tuly sat on Tuly's knee. And if not a happy ending, that was a true joy, which may be enough to ask for, after all. Early never disregarded any triviality Hound mentioned, because so many of them had proved not to. "But witches aren't always chaste, are they? Maybe that's what the Masters are afraid of. Maybe celibacy isn't as necessary as the Rule of Roke teaches. Maybe it's not a way of keeping the power pure, but of keeping the power to themselves. Leaving out women, leaving out everybody who won't agree to turn himself into a eunuch to get that one kind of power ... Who knows? A she-mage! Now that would change everything, all the rules!" face. But Otter was intensely aware of Gelluk, both physically and as a presence of immense controlling power; and it seemed to him that Anieb's speaking had taken away that much of Gelluk's power over him, gaining him a place to stand, a foothold. Even with Gelluk so close to him, fearfully close, he managed to speak. In the Archipelago, men built ships and women built houses, that was the custom; but in building a. She stared at my legs. There are some who say that the school had its beginnings far differently. They say that Roke used to be ruled by a woman called the Dark Woman, who was in league with the Old Powers of the earth. They say she lived in a cave under Roke Knoll, never coming into the daylight, but weaving vast spells over land and sea that compelled men to her evil will, until the first Archmage came to Roke, unsealed and entered the cave, defeated the Dark Woman, and took her place. the winter long, out on the high marsh. He had a sweet singing voice, a true ear, and a love of music, so that his mother, Tuly, called him Songsparrow and Skylark, among other loving names, for she never really did like "Diamond." He trilled and caroled about the house; he knew any tune as soon as he heard it, and invented tunes when he heard none. His mother had the wisewoman Tangle teach him The Creation of Ea and The Deed of the Young King, and at Sunreturn when he was eleven years old he sang the Winter Carol for the Lord of the Western Land, who was visiting his domain in the hills above Glade. The Lord and his Lady praised the boy's singing and gave him a tiny gold box with a diamond set in the lid, which seemed a kind and pretty gift to Diamond and his mother.
