Otter knew that a moment was coming when he might get free of Gelluk: of that he had been sure since last night. There were two others, one equal, one greater. There was birth. When the Lord of the Western Land came to his domain near Glade, Golden was glad to show him fealty. The Lord was born to govern and to keep the peace, as Golden was born to deal with commerce and wealth, each in his place; and each, noble or common, if he served well and honestly, deserved honor and respect. She took refuge at the Springs of Ensa, where, with her knowledge of the Old Powers of the place, she could withstand the Enemy and force him off the island.
